29	30	30	Virginia has a www.511virginia.org website that is available for all motorists to do things like trip planning, traffic cameras, look at all construction and incidents and lane closures that are taking place in the state and plan any of their activities that they want to plan. You can find pretty much any information you need about traveling in the Commonwealth of Virginia. From updated traffic conditions statewide, safety tips, toll and bridge information and more. Virginia also has a telephone system, which is just dialing "511" from any phone system in the state.			

Happy New Year!
